pdhealth.mil/intransition

InTransition provides a bridge for potential gaps during a service member's transition to a new medical care facility, a new geographic location or into a new health care system.

The ability to connect with inTransition by phone 24 hours a day, 7 days a week, 365 days a year makes the program readily available to service members regardless of where they are located.

For more information about the program, ask your provider, visit ***pdhealth.mil/intransition*** or call:

800-424-7877
Inside the United States

800-424-4685 (DSN)
Outside the United States toll-free

314-387-4700
Outside the United States collect

Your coach's number: _____

Providers can go to ***pdhealth.mil/resource-center/intransition/providers*** to find the Health Affairs policy, FAQs, as well as downloadable communication materials.
